SHREVEPORT

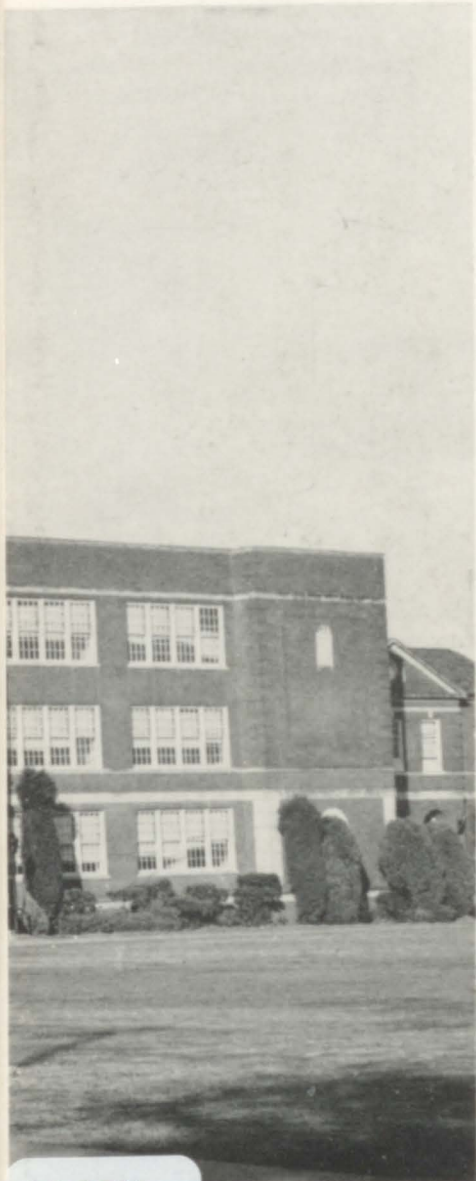

The doors of Fair Park High School swung open in 1928 to receive its initial group of 722 students comprised of three classes. The seventh grade had 198 pupils, the eighth

High School

LOUISIANA

had 358 and the ninth had 173. The 1953 enrollment is comprised of 1,698 boys and girls in the grades of the ninth through the twelfth.

With wide eyed wonder 478 Fair Park freshmen view the harmonious and congenial life surrounding them. The freshmen class of 1953 has completed the transition from junior high school to senior high school with a minimum of adjustment.

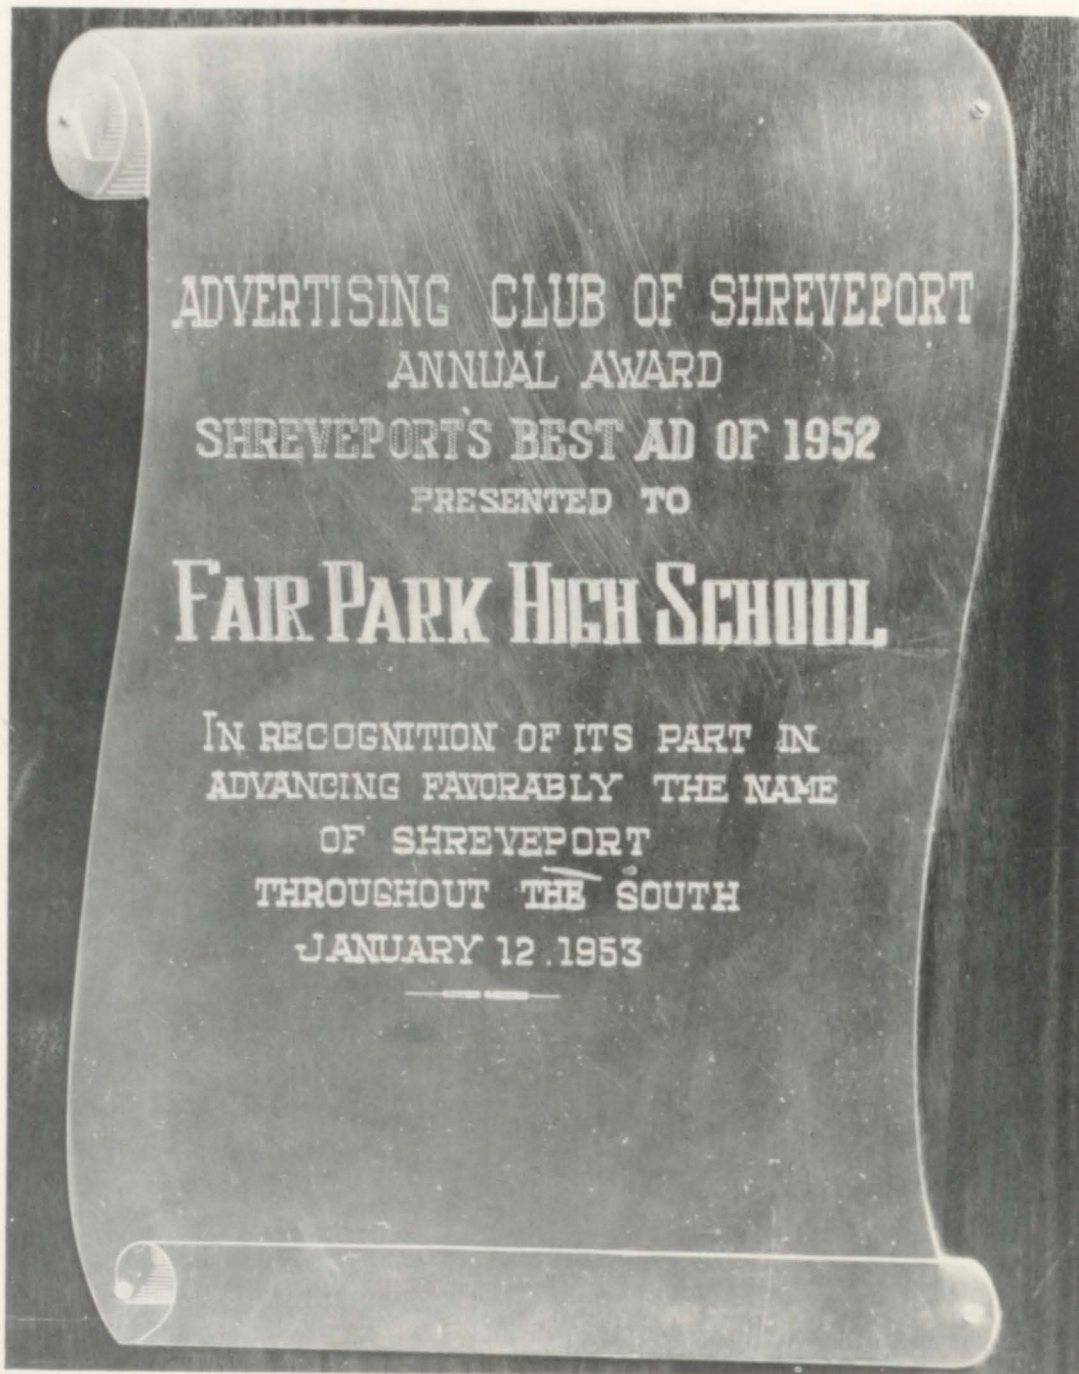

The new status of 466 sophomores has awakened their interest in school activities and increased their diligence in the classroom and responsibilities to themselves.

The spirit, cooperation and willingness in which the junior class has taken school life is a distinct credit to the 371 members of this class.

The smallest student section of Fair Park is comprised of 357 seniors. This group of students is to be congratulated for its four long hard years of intense study, their loyalty to the school and participation in many activities during this period.

Each of the four classes of Fair Park is different but all have the common love for their school; and as a school is nothing more than the people in it, their common love for each other is outstanding.

FAIR PARK WINS "Best SHREVEPORT AD Award"

The students of Fair Park High School have been presented the fourth annual award by the Shreveport Advertising Club as "Shreveport's Best Ad of 1952." This phrase is to be interpreted as "the institution or individual which publicizes the city during a twelve-month period."

"The determining factors in the selection of Fair Park for the 1952 award were the winning of the State AA football championship by the school squad and the outstanding sportsmanship displayed by the players, students, and fans," Graydon Smart, representative of the Award Committee, explained during the presentation.

In presenting the award, Mayor Clyde Fant said, "I wholeheartedly concur with the decision of the committee in the

selection of Fair Park for the award." He pointed out that football and sportsmanship had not been the only factors in the selection but other activities which promoted the name of Shreveport throughout the south as well.

Mr. E. L. Alberson, principal, in accepting the award and expressing appreciation for the school, said, "To me, this award has a deeper meaning than merely winning the championship. In these days juveniles are criticized so much for their actions, it seems good to learn that a group of young boys and girls, for the girls figure in the selection, too—should be selected as the best ad for the city in 1952. I hope that we will remain humble and continue in the future as we have in the past, to do our very best."

The Students of Fair Park

The highlights in an ordinary day at Fair Park are as sparkling as the colors in a single rain drop catching the sun. The cafeteria brings a welcome relief to classroom monotony as the students gather there four times a day, not only to eat but to visit and relax. The students hurry down the halls between classes from "pent-house" to gym shacks without a wasted moment. At least three days a week different grade groups attend programs in assembly, enjoying programs presented by members of the music, speech and other departments as well as various groups who present preview performances of college programs.

FOREWORD

The 1953 Sequoyah Staff has endeavored to give each student a complete history of the past year in a correlated manner. To accent the wide scope of opportunities offered, to appeal to the individual as well as the group is the desire of the staff in selecting the illustrations and photographs. The ability and interest of the students are presented to the reader in an attempt to introduce the activities within the school and to develop an appreciation of the personality of modern youth.

THEME

The rainbow has been used to open and close the 1953 Sequoyah in the effort to reflect the colorful opportunities offered during the days spent at Fair Park. The divisions of the book carry over the prismatic colors found in the rainbow, blue for retrospect, purple for principles of democracy, red for recognition of ability in leadership, gold for physical achievement, and green for growth of personality. Like these vibrant colors are the experiences the students accept as an everyday occurrence as they live together within the school.

During the rustle of graduation activities there comes a time when the senior must stop to think seriously about his future. What does it hold, college, business school, work or marriage? To help the undecided senior a series of aptitude tests are given to certify in what field he excells. These are given by the State with the cooperation of the school. First the tests, then a private consultation, help many an uncertain student determine what he wants to do after graduation from high school.

March '52

March is a month for the students at Fair Park to develop ability and personality by participating in two entertainments. The social events which are held during these windy days are the He-Male Beauty Contest and the R. O. T. C. Minstrel. The first is sponsored by the Hi-Y Clubs and is participated in by the whole school. Each home room selects its "beauty" and dresses him for the judging. In 1952 Ronnie Crawford and Bill Massey tied for first place with Jimmie Maxwell coming in second, Paul Jones third and Don Demaree fourth. One of the acts presented between groups of Beauties is a lovely chorus line made up of members of the football team. Dressed in charming costumes designed by the Home Economics Department, these boys display their abilities in the field of dancing and singing, using these terms in their broadest

sense. The R. O. T. C. Minstrel presents many black-faced and white-gloved students in song and dance routines interspersed with hilarious jokes by the comedians of the school. March is a month of fun at Fair Park.

April '52

Holiday in Dixie, coming in April, is heartily participated in by the students of Fair Park. In the 1952 parade a Shrimp Boat floated down Texas Street manned by Fair Park students, the wood work and art students having combined their efforts in its construction. The Fair Park Band as a part of the parade delighted bystanders with appropriate music. Coinciding with this event was Fair Park's own private celebration, sponsored by the Student Council, Dixie Day. An evening picnic on the stands behind the school, a talent show in the auditorium and later a dance in the cafeteria are Fair Park's way of celebrating Holiday in Dixie. Another entertainment furnished during this month is the annual assembly program presented by the publications' staffs. The newspaper and yearbook staffs united their forces to provide the students with a delightful tale of an editor's woes.

May '52

May is a glamorous month for Juniors and Seniors at F. P. H. S. Juniors order their rings to make sure that by the opening of school they can begin their senior year properly bedecked. The big decision must be made, shall the ring be set with a red or blue stone?

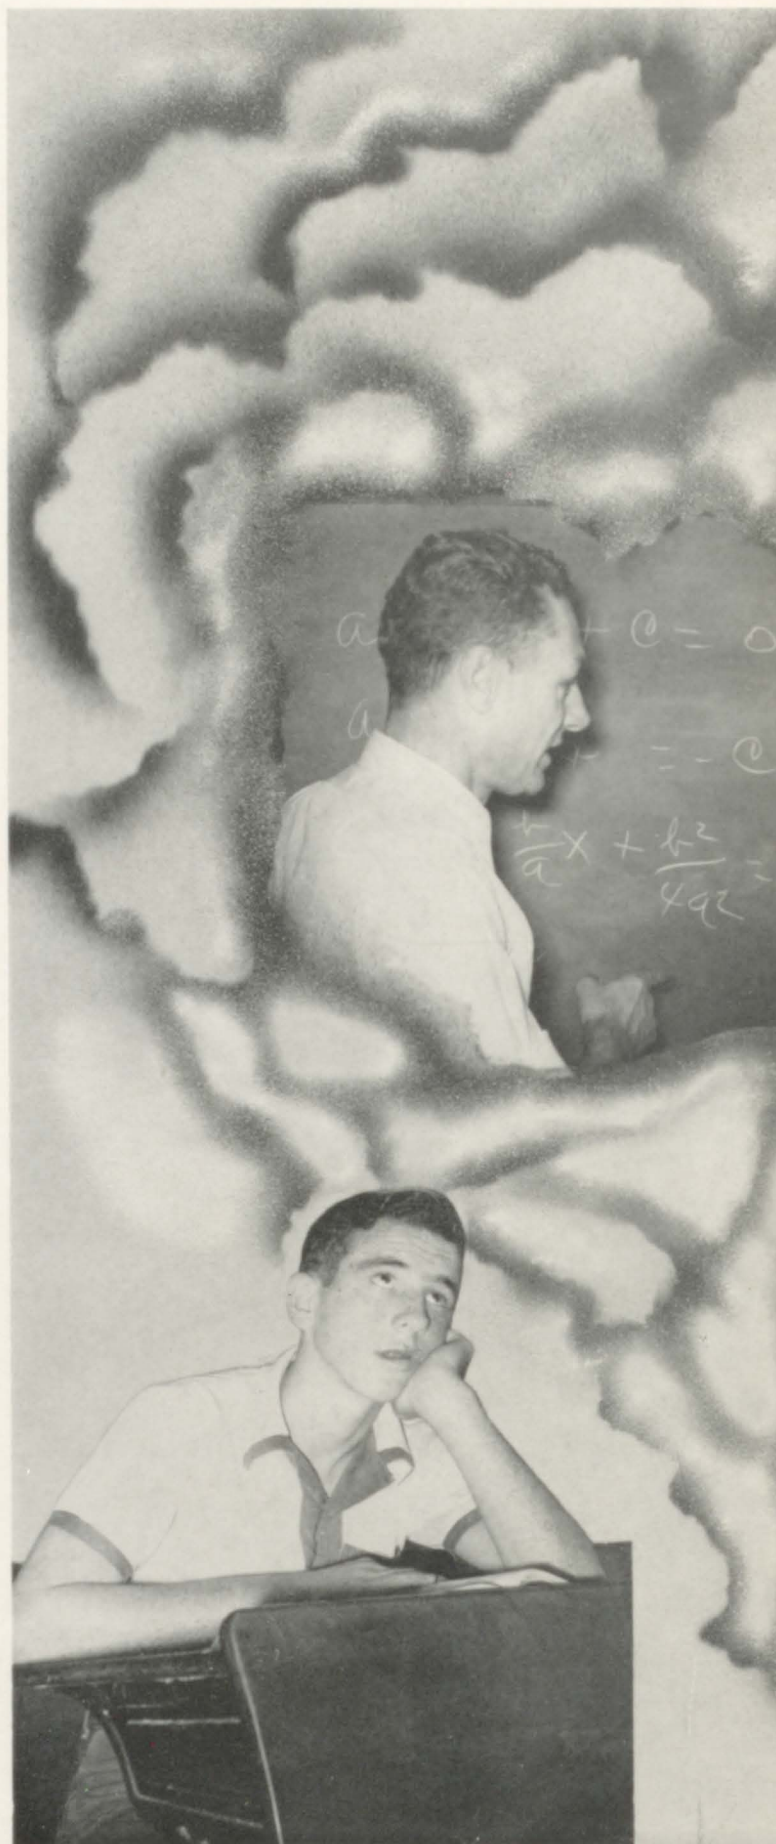

Seniors are confronted with stacks of invitations to be addressed to relatives and friends and a whirl of activities during Senior Week. Everyone experiences final exams and upon the last day each sighs and inwardly says, "No school for three months. Hurrah!"

June July August

For some students May does not spell the last day of school. These are the students diligent enough to attend school twelve weeks during the summer. Even though they are going to school, the hot, lazy summer mornings stimulate beautiful day dreams. Oh, to be fishing on a day like this, with the sun shining brightly on the water. Or perhaps skimming along lightly on roller skates. Or even preparing for next winter's hunting trip, remembering what a success the last one was. Then Mrs. Lottie Mae Ross with her record book pushes aside all thoughts of sports. Did she record last year's credits? Better check to make sure. Startled into reality the student awakes, possibly in Mr. E. H. Herron's algebra class or Mr. Roy Wilson's history or economics class. Experiencing their classes are two opportunities that are not available during the winter semester. It takes strength of character to attend summer school when everyone else is on vacation.

September '52

The first week of September, with a chill in the air and the glorious colors of the trees over head, finds friends and neighbors gathered on the front steps in anticipation of the new program, schedule with favorite teachers. School is never the same as it is the first day. Greeting old friends, making new ones, claiming lockers, and going to class forms a busy day. Members of three classes, seniors, juniors and sophomores, assume an air of self confidence. The freshmen stand about in shy groups, amazed at the activity around them. Scarcely has a routine been established in classrooms when election for cheerleaders and class officers rapidly follow one another.

October '52

"Buy a program?" is the cheerful query that greets October attendants at Fair Park's football games. After working throughout the summer planning the programs, the Program Staff girls enjoy selling them at the games.

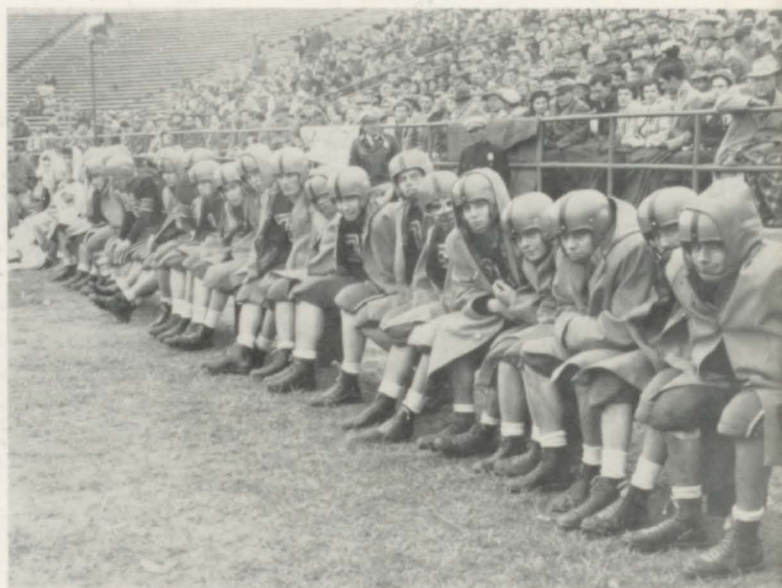

During the lunch shifts and breaks between classes, the Student Council puts on a musical program in the cafeteria. A varied program is offered. In one hour everything from *Singin' the Blues* to Rachmaninov's *Piano Concerto* may be heard. Cotton candy, ferris wheels, the merry-go-round all mean one thing, it's Fair Time. The Louisiana State Fair opens for a two weeks run practically on Fair Park's front yard, making possible the school's first holiday, Children's Day. If addressed by the title "child" on any other occasion, it would be vigorously denied by Fair Parkers. But on Children's Day they gladly accept the holiday, title and all, and are off to take in the Fair, from the Gladway to stock barns.

November '52

game, two hours of fast action on Turkey Day. The cheerleaders spend Thanksgiving morning draping miles of crepe paper around the goal posts. Decorated goal posts are as regulation as a football. One of the most thrilling moments is when the players, led by the cheerleaders, jog out upon the field dressed in all their football paraphernalia and begin their spine twisting exercises which are a part of every game. During the game the eleven players on the field are backed up by a bench lined with eager substitutes waiting to be called for moments of play. They may never get into the game but they are an intricate part of any team. Thus passes the month of November with the whole school eating and sleeping football.

Go, go, go for a touchdown! Exciting sounds fill the air during the month of November. Sounds that mean preparation for the Byrd-Fair Park football

December '52

December was a month for Fair Park when a dream of long standing came true. The football team traveled to New Orleans to meet St. Mary's for the State I.A.A.U. Championship. With seven hundred loyal fans cheering them on, the boys marched to victory and the State Championship. After their return the team was listed in the school cafeteria with a banquet to which all the city championship teams were invited. Every player from the entire Fair Parkers of the 85 pound team to the present 200 pound members enjoyed the affair. Mr. Alpers dressed as Santa Claus typifies the spirit of doing for others that prevails at Fair Park not only during the Christmas season but all through the year.

January '53

January was a month of honors for Fair Park. Many banquets were given to fete various occasions. At the football banquet Mr. Alberston presented the team with the coveted state championship trophy. After the banquet the trophy took up residence in the office at school where all could admire it. The football players received their letter jackets in this month. The emblem on the left sleeve was the first of its kind to appear on a Fair Park football jacket. It was the symbol for state champs. Realizing that the title was won not only by the players but the entire football department, a local business presented everyone connected with the team with a pen and pencil set. The school was greatly honored at another banquet. The Shreveport Ad Club chose Fair Park as the "Best ad for the city in the year 1952." This award can only be bestowed once and Fair Park was very proud to be this year's recipient.

E. L. ALBERSON
Principal

D e d i c a t i o n

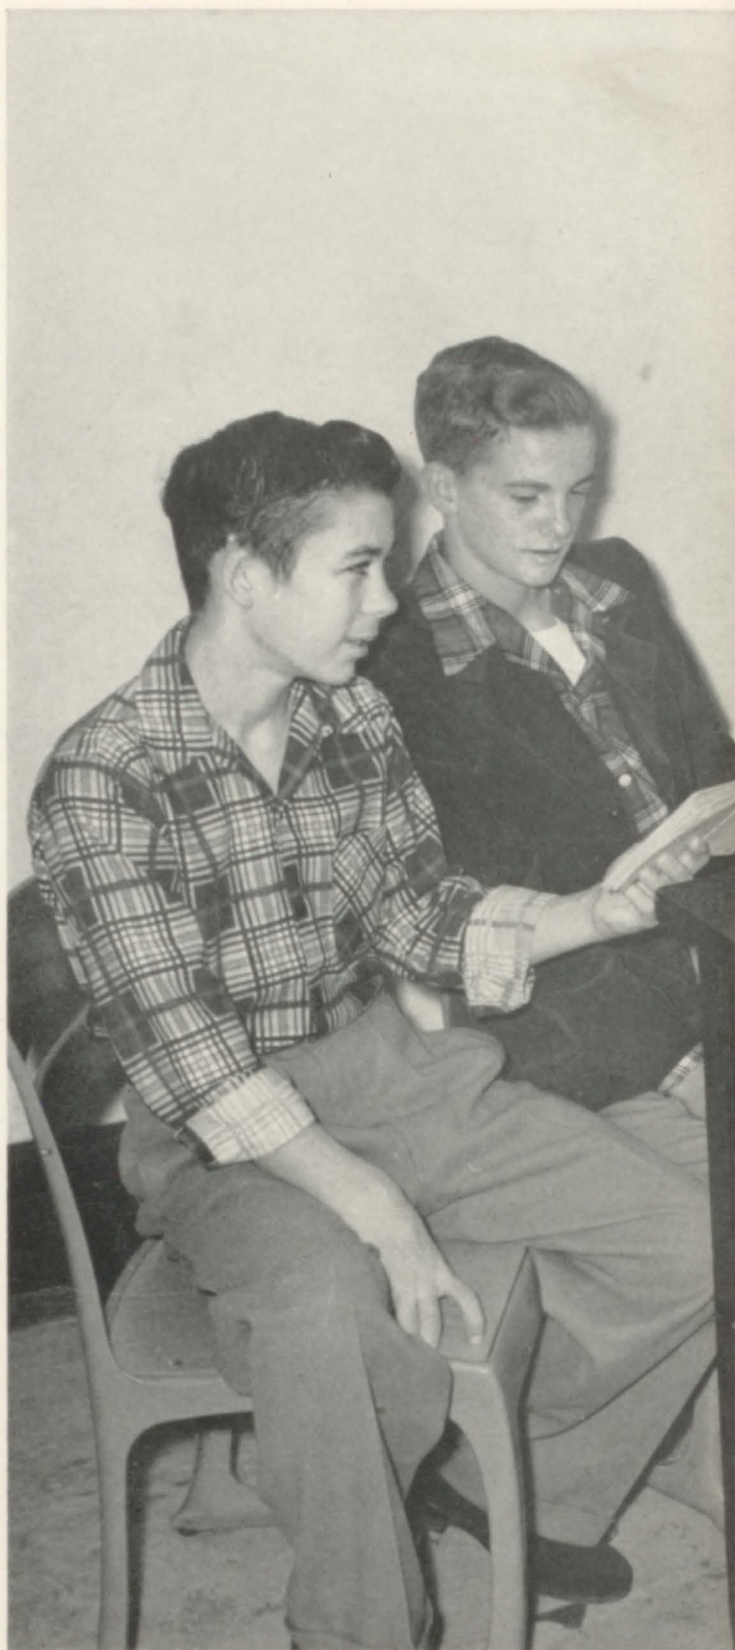

The dedication of the 1953 SEQUOYAH is in recognition of our principal, E. L. Alberson, whose administrative ability, foresight, and functional program planning has been instrumental in the development and organization of Fair Park High School.

The effective administration of the established procedure required by the curriculum of the school has necessitated several improved conditions for the students. Survey results revealed that students were more responsive in the class room after brief periods of relaxation rather than continue through the phase of physical fatigue.

Foreseeable difficulties were surmounted by the enlargement of the library, the addition of two extra music teachers, the increased audio visual aid program, the establishment of a dental clinic, and corrective speech department for additional educational advantages.

The planned guidance program has been greatly enhanced by the loyalty, wisdom, experience, and leadership of our principal.

MARDI GRAS

On the night of February 13, 1953, a spirit of fun and gaiety prevailed at Fair Park as the annual Mardi Gras celebration was ushered in with the sound of blaring trumpets. The Ladies of the Court, gowned in white taffeta and escorted by Lords in formal attire, were the first to make their appearance. Silence and expectation ruled as the arrival of the Queen was anticipated. Amid the hushed admiration of her subjects, Queen Arlene ascended her throne and was crowned Queen of Mardi Gras by King Kenneth. Gay festivities followed the coronation. The originality of the entertainment was accepted by student talent from the vocal department and solo dance numbers.

Later in the evening the Court attended the ball given in their honor. Cupids and vivid red hearts were the principal decorations chosen to decorate the auditorium, using Valentine's Day as the theme. The background and stage props were designed by the Art Department and constructed by the Woodworking Department. The beauty and glamour of the occasion was chiefly due to the supervision of Mrs. Ruth Johns, Mrs. Grace Gray and Mr. Lynn Reeves.

HEAD COACH

Coach Homer Prendergast realized a dream of many years this season when the Fair Park team won the State Championship. He has coached many teams since he began as coach at Fair Park in 1931, each in its turn composed of promising material. The experiences gained from his years of playing high school as well as college football at Auburn University and on Army elevens have been reflected in the ability of the Fair Park players.

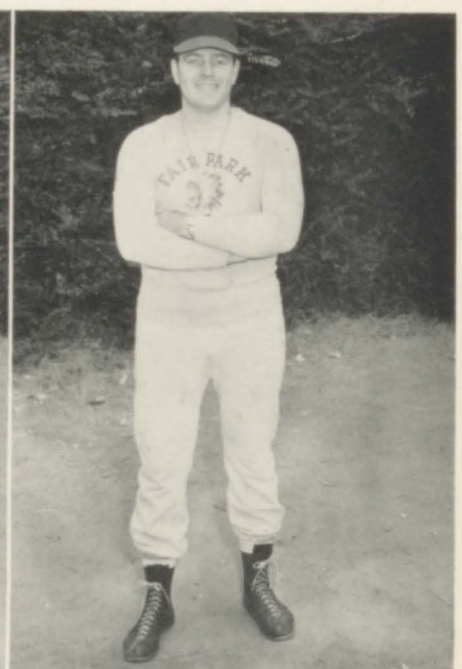

He began his grid career as a kicker on the Marshall high school team. Upon entering Auburn he qualified on the varsity squad as a freshman and also played on their unbeaten National Collegiate championship team which finished its season without permitting a score to its foes. Coach Prendergast was on the all-Southern Conference team as a runner and a kicker. He coached at Marshall College in Marshall, Texas, before becoming assistant coach at Byrd in 1926.

ASSISTANT COACHES

Coach Roy Wilson whose name is practically synonymous with that of Coach Prendergast at Fair Park began his football career as a player at Byrd High School under Coach Prendergast. Later he became a tackle at L. S. U. where he played from 1930 thru 1932 and was named on the Southeastern's team in 1932. He began coaching at Fair Park in 1935 as line coach.

Coach Clem Henderson joined the coaching staff at Fair Park in 1948. He played high school football for Jennings when its team clashed with Fair Park in the state AA finals. After a time in the Marine Corps, Coach Henderson entered La. Tech where he lettered as guard on their football team. He is responsible for the second football team and coaches the basketball and track teams.

Coach Tommy Trigge came to Fair Park in 1952 to fill the demand for a fourth coach. He played football while attending high school in Port Arthur in 1938, '39 and '40. After playing on the football team while stationed in Pearl Harbor in 1943 he entered Lamar Junior College and played as guard in 1946-'47. Last year he coached at Independence, La.

VARSITY FOOTBALL

Fair Park Downs Marshall 27 to 7

On September 12 Fair Park opened its 1952 football season in Marshall with the annual football tilt with the Marshall Mavericks on Maverick field. The Indians were in high form as the smooth running Fair Park team rolled up a 27 to 7 score in victory over the Texas boys.

The score at the end of the third quarter stood at 7 to 7. Fair Park scored twenty of its points in the last quarter. Three of the Indians' touchdowns and three points after the scores were chalked up by Tommy Davis. Gene Saur scored the other Tribe touchdown. Two drives by Marshall were thwarted by fumbles. Fair Park gained 262 yards and Marshall 248.

SCORE BY QUARTERS

Fair Park	7	0	0	20
Marshall	0	7	0	0

Fair Park 34—Bolton 24

Following the lead that it had set the week before the Fair Park football team ripped to a 34 to 24 score over a scrappy Bolton high football eleven here on September 18. The Bolton Bears marched to a touchdown after taking the opening kickoff but Fair Park quickly followed up with a 59 yard touchdown dash by A. L. Williams. The score seesawed between the two teams until the fourth quarter when the Tribe took the lead and kept it. Tommy Davis scored twice and kicked for four extra points. Harley Brown, A. L. Williams, and Gene Saur each scored once. The Indians gained 221 yards rushing compared with the Bears 195 yards.

Fair Park Romps Over Catholic High 35 to 7

Playing the Catholic High Bears for the first time, the Indians showed their best form as they added up a score of 35 to 7 to win. The most amazing part of the contest was the first half in which Catholic didn't run a single play in the Fair Park half of the field. The game was won by short, stabbing gains and by quarterback Gene Saur's trickery with the jump pass. Tommy Davis scored twice and booted five extra points. Johnny Crumpler and A. L. Williams each scored on dashes around end. Charles Farrar grabbed a touchdown pass from Saur. Good defensive work was turned in by Bobby Stoll and Dan Sims.

Indians Scalp Jackets To Take Trophy

A crowd of more than 14,000 spectators watched the Tribe wallopp the Jackets 27 to 0 to take the city championship and win the floating trophy. The Indians took the field determined to make up for last year's upset but a hard fighting Byrd team managed to hold them nearly all the first half. In the last few minutes of the second quarter Tommy Davis pulled down a 12 yard pass from Gene Saur and went on to score and kick the extra point. The entire team turned in a top notch performance with A. L. Williams and Harley Brown playing their best game of the season. Williams returned punts for 60 and 68 yards and one of the returns resulted in an Indian touchdown. Along with excellent blocking and tackling, Brown recovered three Byrd fumbles. Davis scored twice and kicked three extra points. Johnny Crumpler scored once and Williams once. Both Fair Park and Byrd were outstanding in good sportsmanship with Fair Park being penalized only 20 yards and Byrd 30.

Indians Slap Tornado, 20 to 6

The Fair Park Tribe traveled to Haynesville to meet the Golden Tornado on September 26. In the first district game for both teams, the Indians opened up a passing parade midway in the first quarter when Gene Saur tossed a pass to A. L. Williams. In the second quarter it was again passes from Saur to Williams which set up the second score for the Indians. The single touchdown of the Tors came when the second half was four minutes old. The air game of the Indians was the standout of the evening as the Tribe gained 165 yards via the aerial route and 133 on the ground. The Tors gained 193 yards on the ground and 14 in the air.

Fair Park Gallops Over Bastrop 26 to 6

Fair Park registered its second consecutive league victory of the season in dumping the Bastrop Rams who played class AA for the first time. With the ground game in the usual smooth working-order and a strong passing attack the Indians held the ruling hand throughout the tilt. During the first half Tommy Davis scored twice and kicked the first two tries at extra points. Running right alongside Davis in the offensive show were Johnny Crumpler, A. L. Williams and Gene Saur. In the third quarter Crumpler scored on a one yard drive through the center and in the fourth Williams scored on a beautiful pass from Saur.

Fair Park Drops Close One

For the fifth time in three years the Indians from Istrouma humbled the Indians from Fair Park. A record crowd at the Fair Grounds Stadium held its breath as it watched the

One Hundred Eight

players battle out a hard fought game with exceptionally good sportsmanship displayed by both teams. Kenneth Fountain and Harley Brown exhibited stellar blocking which helped hold the Istrouma eleven scoreless until the last quarter. In the closing minutes of the scoreless game A. L. Williams stopped a touchdown run by Istrouma on the Fair Park ten. Three plays later the team was halted on the one yard marker. With two minutes left to play Tommy Davis took the ball from a deep punt position in the end zone and attempted to run around his right. As he made his cut only two yards from the playing field proper he was nabbed by Istrouma's Ed Riley, giving the Baton Rouge team a safety worth two points. Score when the game ended, Fair Park 0, Istrouma 2.

Fair Park Takes Ouachita 27 to 7

On October 17 the Fair Park Indians faced the highly touted Ouachita Lions and took them to the cleaners to the tune of 27 to 7. At the first of the season Ouachita had been rated as serious contenders for the North Louisiana title but Fair Park made the title secure for the third consecutive season as it scored over the Lions. Frank Mobley scored Ouachita's only touchdown but he was small time compared to Tommy Davis, who lengthened his lead as the top scorer in Louisiana by bashing the line for three touchdowns and kicking three extra points to up his year's tally to 80. The efforts of the Ouachita team were completely stalled by the Fair Park defense which was powered by big Harley Brown. The third touchdown came when Davis took a hand-off from Gene Saur. As he was being tackled, Tommy flipped a lateral to Saur and Gene zipped into the end zone for the score. The Indians in all gained 351 net yards from scrimmage on the ground and added 34 through the air to Ouachita's 149 on the ground and none in the air.

Fair Park Runs Over Lake Charles, 47 to 13

The Fair Park Indians traveled to Lake Charles to meet the Wildcats on October 24 but found them worth hardly more than a good scrimmage. Numerous stars shone in the game as Johnny Crumpler made two touchdowns, A. L. Williams two and Tommy Davis three. Davis kicked for five extra points. The Indians produced a rugged defensive line and held the Wildcats to 115 yards rushing compared with the Indians 291 yards gain. After the seventh touchdown the regulars headed for the bench and the reservists took over for the fourth quarter. Billy Turner and Jackie Rogers helped wreck Lake Charles' running game and Ray Garrard and Bobby Ray McAlphin aided in holding the Cats scoreless. The game ended Fair Park 47, Lake Charles 13.

Fair Park Grinds Kats, 42-7

Methodical ground-attack explosions by the Fair Park Indians enabled them to score in every period in the game against the Bossier Bearkats. Each team used the air frequently. Fair Park passed six times—with Gene Saur doing all the heaving—completing five for 49 yards and a touchdown. Bossier completed four passes of 11 for 74 yards and its only score. Blistering blocking did the most damage to Bossier. The Injun middle-of-the-line combination of guards Bobby Stoll and Dan Sims and tackles Harley Brown and Kenneth Fountain gave the runners a lot of uncontested ground. Defensive stars for the Indians were linebacker Robert Hearn and hard-charging Bobby Anderson at end. Tommy Davis scored three times, kicked six extra points, and A. L. Williams, Johnny Crumpler and Charles Reddick each scored once.

Fair Park Rubs Neville in Mud 49 to 6

The Indians rolled to an easy victory over the Neville Tigers as the two teams clashed on a water soaked, muddy playing field. The Injuns rolled up a total of 421 yards gained, of which 170 yards were gained through the air as Gene Saur completed 10 of 17 passes attempted. The Tigers attempted 10 passes and completed one, gained 152 yards on the ground and 9 in the air. "Terrible Tom" Davis reeled off three touchdowns and seven consecutive extra points. Davis's first chance came early in the first quarter when Harley Brown recovered a second errant Tiger carry and four plays later Davis went over. A. L. Williams scored once on a dash around end and again on a beautiful 70 yard run. Saur was responsible for one touchdown as he went over from the 44. In the last two seconds of the game, Saur tossed to Ray Garrard from six yards out to score the final tally of the evening.

Indians Whip Sulphur 14 to 0 to Make Finals

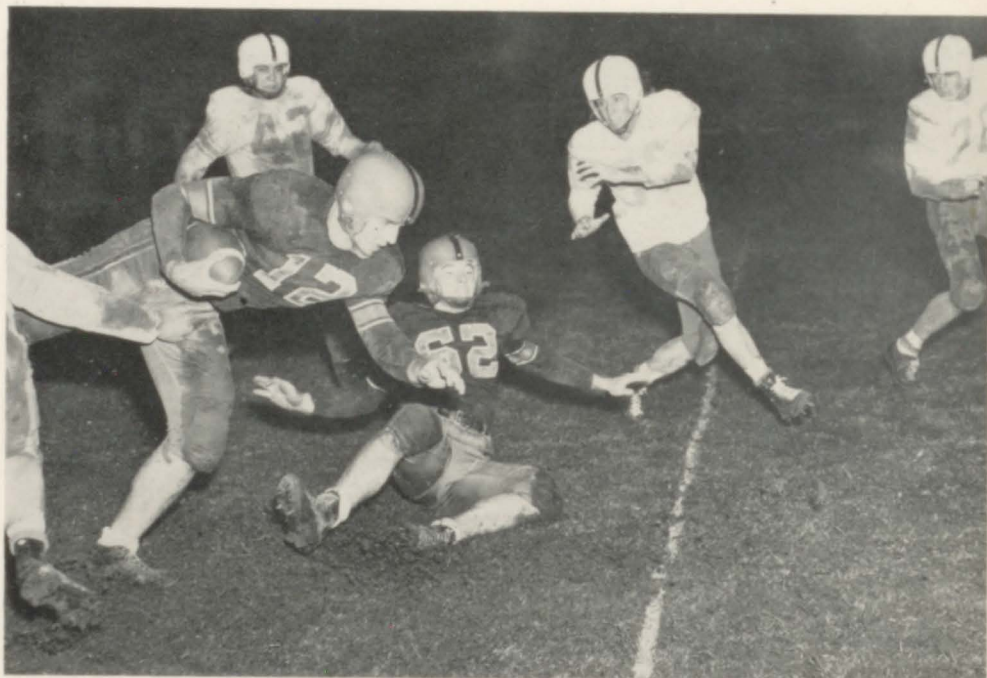

Fair Park Wins Toss

The mighty Indians vaulted into the Louisiana class AA football championship finals for the third straight season by manufacturing a 14-0 victory over the Sulphur Tors. An aerial to A. L. Williams from Tommy Davis set up the first touchdown of the evening and the same routine was repeated in the last four minutes of the game for the second tally. Credit for the victory goes to the Tribe defense. Harley Brown made six tackles all alone to stop Sulphur third and fourth down attempts for first downs. Skippy Shirley pushed Sulphur runners out of bounds twice, after the ball-carriers had dashed 23 and 24 yards. Davis batted down four of Sulphur's 17 passes, Williams three and Shirley three. In addition to the defensive work, offensive center Frank Watts did a commendable job of blocking while Saur and Davis were fading back to complete a total of 10 passes.

Fair Park Defeats St. Aloysius 20-0

Wins State AA Grid Title

Fair Park has made four attempts at a state championship to have it finally materialize on the fifth try in New Orleans on December 12 against St. Aloysius. A special train carried 775 supporters to New Orleans to see the game. This was the third consecutive year Fair Park bid for the championship. A. L. (Crazy Legs) Williams, displaying his peculiar and clever style of running, was the target for three touchdown passes from Gene Saur which gave Fair Park a 20 to 0 victory over St. Aloysius. Tommy Davis kicked for the two extra points. Johnny Crumpler was responsible for intercepting the Crusaders pass which enabled the Tribe to make its final touchdown from the host 27 yard line. A fourth touchdown was erased by a penalty after a long run by Davis in the fourth quarter. Due to stellar playing throughout the game by tackles Harley Brown and Kenneth Fountain; guards Dan Sims and Bobby Stoll; line-backs Robert Hearn and halfback Skippy Shirley and ends Bobby Anderson and Charles Riddick, Fair Park won its first State Championship.

The red handkerchief kills the play.

COACH TOMMY TRIGGE

The 1953 Track Team progressed rapidly and smoothly under the direction of Coach Tommy Trigge. Emphasis in the early drills was placed on conditioning and form. Johnny Crumpler and Billy Smith are the only returning lettermen from the 1952 season. This fact has only heightened the interest of the Track Team and a prominent season is expected.

PARENT-TEACHERS ASSOCIATION

The P. T. A. officers planned three night programs during the year when both parents and students were present. The "go to school" night introduced parents to their children's teachers with the opportunity to discuss projects for the year. Since the Guidance Program is a new one, parents were invited to attend a discussion and social hour with the homeroom teachers. The Carnival has long been a money raising opportunity to offset the expenses of the P. T. A. With hilarity, humor and excitement, parents and students enjoyed Mardi Gras and the Carnival on a single evening. The P. T. A. kept very active this year with its three large projects plus its many other activities.

JUNIOR RED CROSS

The Junior Red Cross is one of the school's largest and most active organizations with a membership this year of almost one hundred per cent. It offers the member an opportunity to serve through adaptable channels connected with school activities. Thus it forms a link between school and the broadening circle of local, national, and international society. Social service projects and activities for the good of the school keep this organization busy throughout the year. Under the sponsorship of Mrs. Annie Igoe and Mrs. Kathryn Gamble, this year's work has included a membership drive, making favors for Veterans and Barksdale Hospitals, collecting used clothing for the needy, distribution of Tuberculosis seals and packing of Christmas boxes for children in foreign countries.

The Creative Writing Club, under the supervision of Mrs. Jennie Jones, strives to promote a greater interest in writing. Various styles of writing, as well as suitable and preferable topics, are studied by the members of the club. Having studied the short story in particular, it was the ambition of each member to write a short story this year. The aim of the Creative Writing Club is to point out beauty in the common place; the simpler things of life and to encourage and help to develop the future writers of America.

SEQUOYAH STAFFS

The Sequoyah is produced through the efforts of three staffs of girls and boys. The Editorial Staff is responsible for the book itself, the theme, picture taking and write-ups. The Advertising Staff designs the section of the book which partially pays for the production and contacts the business firms who are interested in advertising in this way. The Circulation Staff is responsible for soliciting subscriptions and the collections from the Home Room Sponsors on the subscriptions. These staffs work in conjunction with one another on the annual, though they are supervised by different sponsors. The three people who carried the greatest responsibility for the annual were the heads of the three staffs. Marilyn Register, as Publications Editor, was responsible for the entire 1953 Sequoyah and its production. Anne Bryant, as Business Manager, attended to the financial and ad department. Circulation Manager Margaret White supervised the sale, payment and distribution of the Sequoyah. The accomplishments of these student directors are interpreted in this 1953 publication.

The Shreveport High Schools have the only Junior Reserve Officer's Training Corps in the state of Louisiana. The units from both high schools constitute a regiment with a battalion in each school. The choice of regimental commander and his staff is alternated each year between the two schools.

The training is composed of three years during which time the cadet has an opportunity to work his way up in rank. The boys participating in the R. O. T. C. program gain much in discipline, leadership, and training for future citizenship.

ART DEPARTMENT

The students participating in the Art Classes of Fair Park glean a greater appreciation of art through the various phases that are offered. The costume design class learns the fundamentals of their subject as they draw from life models. The classes in crafts gain greatly in skill and technique as they proceed with their work in leather, aluminum and plastic.

Others of the art classes study ceramics and china painting. The Art Classes working with watercolor, oils, crayon and charcoal exhibit their pictures each term. The pictures done by the students are mounted and offer an attractive display in the halls, giving the student body an idea of the progress achieved in this department.

SPEECH DEPARTMENT

Forming a unique and beneficial part of Fair Park's educational program is the Speech Department. Classes of speech therapy are offered students who are handicapped in their speech. Many students have taken advantage of this course and outstanding results have been obtained. The Speech classes study drama, playwriting, and public speaking. One part of the year's work is given over to the writing and producing of one act plays. The public speaking section of these classes plays an important part preparing many of the students to participate as speakers for school programs.

All State Music Representatives

After attending the All State Music Festival, the members of Fair Park's Orchestra held a party to celebrate the trip. A huge cake highlighted the refreshments along with the punch served from a crystal bowl by Mr. and Mrs. W. M. Barnthouse. Jo Rivers as Master of Ceremonies provided a hilarious evening of entertainment. Yvonne Barnthouse, Martha Clancy and Alice Fay O'Daniel were only a few of the many members of the Orchestra who performed for the enjoyment of the guests. The party promises to become an annual event of the Orchestra as it was enjoyed by all who attended.

Dearest Bob (Big)

It has certainly been nice knowing you this year.

Always remember me and the good times we have had together.

I'm afraid I'll never forget the time you came to "visit" me when I was washing dishes. (That was embarrassing!) I also have enjoyed your "company" at my locker every day after 5th period. Without you, I'd never even have a sore wrist. It is more fun - (he) to fight in the halls!!!

Those "montgomery" shirts you wear are "beautiful" - I really like Stocking Pink and Chantreuse.

never forget the "strip-tease" I did in Hth on the 20th of May. Pretty clip wasn't it? (he he)

Bob, I know how you hate to be called that but I like it! you are ^{very} sweet. If you weren't a Freshman I'd really like you more than I do now. Don't forget our friend "Jean".

Love ya, baby,
Joy Lynn Rembert

best of luck,

Two Hundred Twenty-five

THE EDITORS of the 1953 Sequoyah present this yearbook to the subscribers in hope that it meets with their approval. With available pictures the events of the year have been set down in the sequence of their occurrence, supplemented by commentary. Recognition of instruction, both required and optional, available to students, as well as library facilities, has been given emphasis. The Staff expresses their appreciation here to everyone for the support and cooperation they so enjoyed throughout the production of this year's annual.
